ARBITRATION PETITION NO.456 OF 2004

...

M/s.Iqbal Productions ...Petitioner

v/s.

M/s. Mamta Films & Ors. ...Respondents

...

Mr.S.A.Ansari for the Petitioner.

None for the Respondents.

...

CORAM: D.K.DESHMUKH, J.

DATED: 10TH JANUARY, 2005

P.C.:

. Perusal of the document at Exh.H-1 to the petition clearly shows that the Petitioner had entered into an arbitration agreement before the Arbitrator. Perusal of the award shows that the award was based on consent terms between the parties. The award is made

by the Trade Body. It appears that after having agreed to the award, the Petitioner is now turning round and challenging the same because he finds it inconvenient. I do not see any legal infirmity in the award. Petition disposed of.
